**Comments:**

**On July 1 I faxed the attached 13 pages to the above fax number, and received from OUR fax machine the (also attached) confirmation page verifying the transmission had gone through from our end.**

**However, as I did not receive the usual confirmation page from YOUR end (probably due to challenges we had that day with our equipment), I am re-submitting via fax, upon advice of the Patent Electronic Business Center representative I spoke with today, all the items mentioned above – in case for any reason they did not receive and get posted properly into your system.**
